

Athens Therapy Co-op Membership Levels

Athens Therapy Co-op is excited to bring you our most popular services! With three different levels of membership, therapists can choose the exact services they need for their practices. All co-op memberships have an annual fee of \$125, and monthly fees range from \$10 to \$30.

LEVEL 1 INCLUDES:

- access to physical mailing address
- professional phone number
- bio on website
- generic business cards
- \$10/month

perfect for a therapist doing telehealth who needs a business address and phone number.

LEVEL 2 INCLUDES:

- access to physical mailing address
- professional phone number
- bio on website
- personalized business cards
- Virtual assistant customizes referral emails to clinician's target age/population
- Access to office rental at \$20/hr, \$45/half day, or \$80/full day
- 2 free hours office rental/month
- \$30/month

great for a therapist who needs office space to meet with clients

EMPLOYEE INCLUDES:

- physical mailing address
- professional phone number
- bio on website
- personalized business cards
- Virtual assistant customizes referral emails to clinician's target age/population
- dedicated office access
- Electronic health records system and telehealth platform
- Clinician keeps a % of all sessions provided, with ATC keeping a percentage.

perfect for a therapist who wants to provide therapy without worrying about running the business.
